

Axner Excavating,

I thank you from the bottom of my heart for your generosity concerning my eagle scout project. The ball wall and tetherball have been set up and because of you, the kids of North Woods Discovery School now have a place to play ball. As for me, on May 29th 2014, I became an Eagle Scout, a huge accomplishment in the eyes of the boy scout organization. Thank you for making this happen.

- Michael Skuba
Eagle Scout
